

## POSTDOCTORAL ANNOUNCEMENTS

The Research Centre "Religions and Societies in the Mediterranean world" (RESMED), a laboratory of excellence affiliated to Sorbonne University (Paris) offers:

\* three (3) one-year RESMED postdoctoral fellowships, starting September 2014. Deadline for applications: 18 April 2014.

\* four (4) 9-month Fernand Braudel IFER-RESMED postdoctoral scholarships, starting September 2014. Deadline for applications: 3 April 2014.

Candidates may apply for both calls. Details are given below.

### 1. RESMED POSTDOCTORAL FELLOWSHIPS

The Laboratory of excellence RESMED ("Religions and societies in the Mediterranean world") offers 3 one-year postdoctoral fellowships starting September 2014.

Candidates should submit a research project corresponding to one of the following profiles:

Profile 1. Cultural backgrounds of the Greek christian exegesis.

Profile 2. Food and religion in the Mediterranean world: from polytheistic to monotheistic religions.

Profile 3. Music, ritual, sociability in the area of the former Ottoman Empire

Profile 4. Religious festivals in the Mediterranean in late antiquity and the early Middle Ages (1st to 10th century)

Profile 5. Religions and social practices: mutual assistance in multicultural societies

See details on the call, eligibility and selection process here:

<http://www.labex-resmed.fr/spip.php?article21&lang=en>

Deadline for applications: 18 April 2014 at midnight.

### 2. FERNAND BRAUDEL IFER-RESMED POSTDOCTORAL SCHOLARSHIPS

The Fernand Braudel IFER programme is an international mobility programme open to candidates from all countries who wish to carry out a 9-month research project in France. It is supported by the European Commission (Marie Curie Action Programme - COFUND - FP7). The Research Center "Religions and Societies in the Mediterranean world" (RESMED) is part of the Fernand Braudel IFERnetwork.

Four (4) postdoctoral scholarships starting in September 2014 are offered. Candidates should submit a research project corresponding to one aspect of RESMED's programme on the Ancient and Medieval Mediterranean: 1. Religions, places and conflicts; 2. Religion and reason: tradition and innovation; 3. Religions and social practices.
